# Green Cuisine

*...at Zukas Farm we continue to look for new ways to keep our weddings fresh and exciting! At the same time we know how important it is to protect our environment and give back to our community.*

Here are a few things we're doing to help out:

---

- Using local produce and cheese whenever possible.
- Using our vegetables, raspberries, blueberries, herbs & florals fresh from our own gardens.
- Composting produce from our kitchen.
- Donating leftover food to Mary, Queen of the Rosary Church, which is then distributed to local families and elderly in our area.
- Offering menu options such as certified angus beef.
- Using water pitchers on tables & water stations instead of plastic bottles.

What can you do?

---

- In lieu of favors, donate to your favorite charity. Some of our favorites are The Boys and Girls Club or The Smile Train.
- Offer your guests shuttle bus service.
- Use ecofriendly paper for your printing needs.
